

M E M O R A N D U M
between
NON-PROFIT JOINT-STOCK COMPANY
KIMEP UNIVERSITY
and
PRIVATE LIMITED LIABILITY COMPANY
SCIENTIFIC PUBLICATIONS LLC

Signing date: 17th of July 2023

KIMEP University Non-profit Joint-Stock Company, represented by Damian A. Riviez, Vice President of Academic Affairs, acting pursuant to the Power of Attorney PA\412\22\11 as of 30.09.2022, and **SCIENTIFIC PUBLICATIONS Limited Liability Company**, represented by director Kapassova Moldir Kumartkyzy, acting on the basis of the Decision dated 14.07.2023 (hereinafter collectively referred to as the “Parties”), in their joint efforts to develop collaboration in research and academic activities, and in the field of scientometrics and science, for the purpose of cooperation in the field of educational and scientific research, as well as promotion of a quantitative and qualitative increase in scientific publications and their placement in international scientometric databases, hereby agree as follows:

Article 1

The parties shall cooperate in the field of science, education, scientometrics, and research, adhering to the principles of parity and mutual benefit and in accordance with the current legislation of the Republic of Kazakhstan.

Article 2

The parties shall develop collaboration in the field of science, education, scientometrics, and research in the following areas:

- cooperation in the field of science, education, scientometrics, and research;
- information and organisational support of events held by the Parties, support for their preparation and implementation;
- joint information and consulting efforts to prepare scientific papers and articles and placement of the same in international scientometric databases.
- internships of the KIMEP University students in the Scientific Publications office.

Article 3

Cooperation between the Parties in the field of science, education, scientometrics, and research shall be carried out as follows:

- exchange of information on scientific projects;
- joint organisation and holding of scientific seminars, conferences, and webinars;
- exchange of information and scientific documents;
- organisation of scientific programmes and courses that may be of mutual interest;
- creation of websites, projects, research centres, etc.

Article 4

The Parties shall work towards joint direct ties. To achieve this goal, the Parties shall exchange contact details of their representatives (proxies) to determine and further implement areas of cooperation.

Article 5

Changes and amendments hereto shall be introduced under mutually concluded agreement of the Parties and be documented in the minutes that shall form an integral part hereof.

Article 6

Any and all disputes concerning the interpretation or application of the provisions hereof shall be resolved through consultations and negotiations between the Parties.

Article 7

This Memorandum comes into force from the date of its signing and will be valid for one year from the date of its signing by the Parties.

The validity period of this Memorandum shall be automatically extended in the event that one Party fails to notify the other Party of its intention to terminate the Memorandum within thirty (30) calendar days.

Each Party may terminate the Memorandum at any time by issuing the corresponding written notice to the other Party thirty (30) calendar days in advance.

This Memorandum is concluded on free-of-charge basis, and the Parties shall undertake the expenditures associated with the implementation of the measures stipulated herein independently, unless a different procedure is agreed between the Parties.

This Memorandum identifies the areas of cooperation and does not create any legal consequences for the Parties.

This Memorandum was signed on the 17th of July 2023, in two original copies, one for each of the Parties.
